AN INTIMATE AND TIMELESS MOOD.**

La nuova collezione ridefinisce originalità e stile,
per creare un ambiente dal mood intimo e senza tempo.

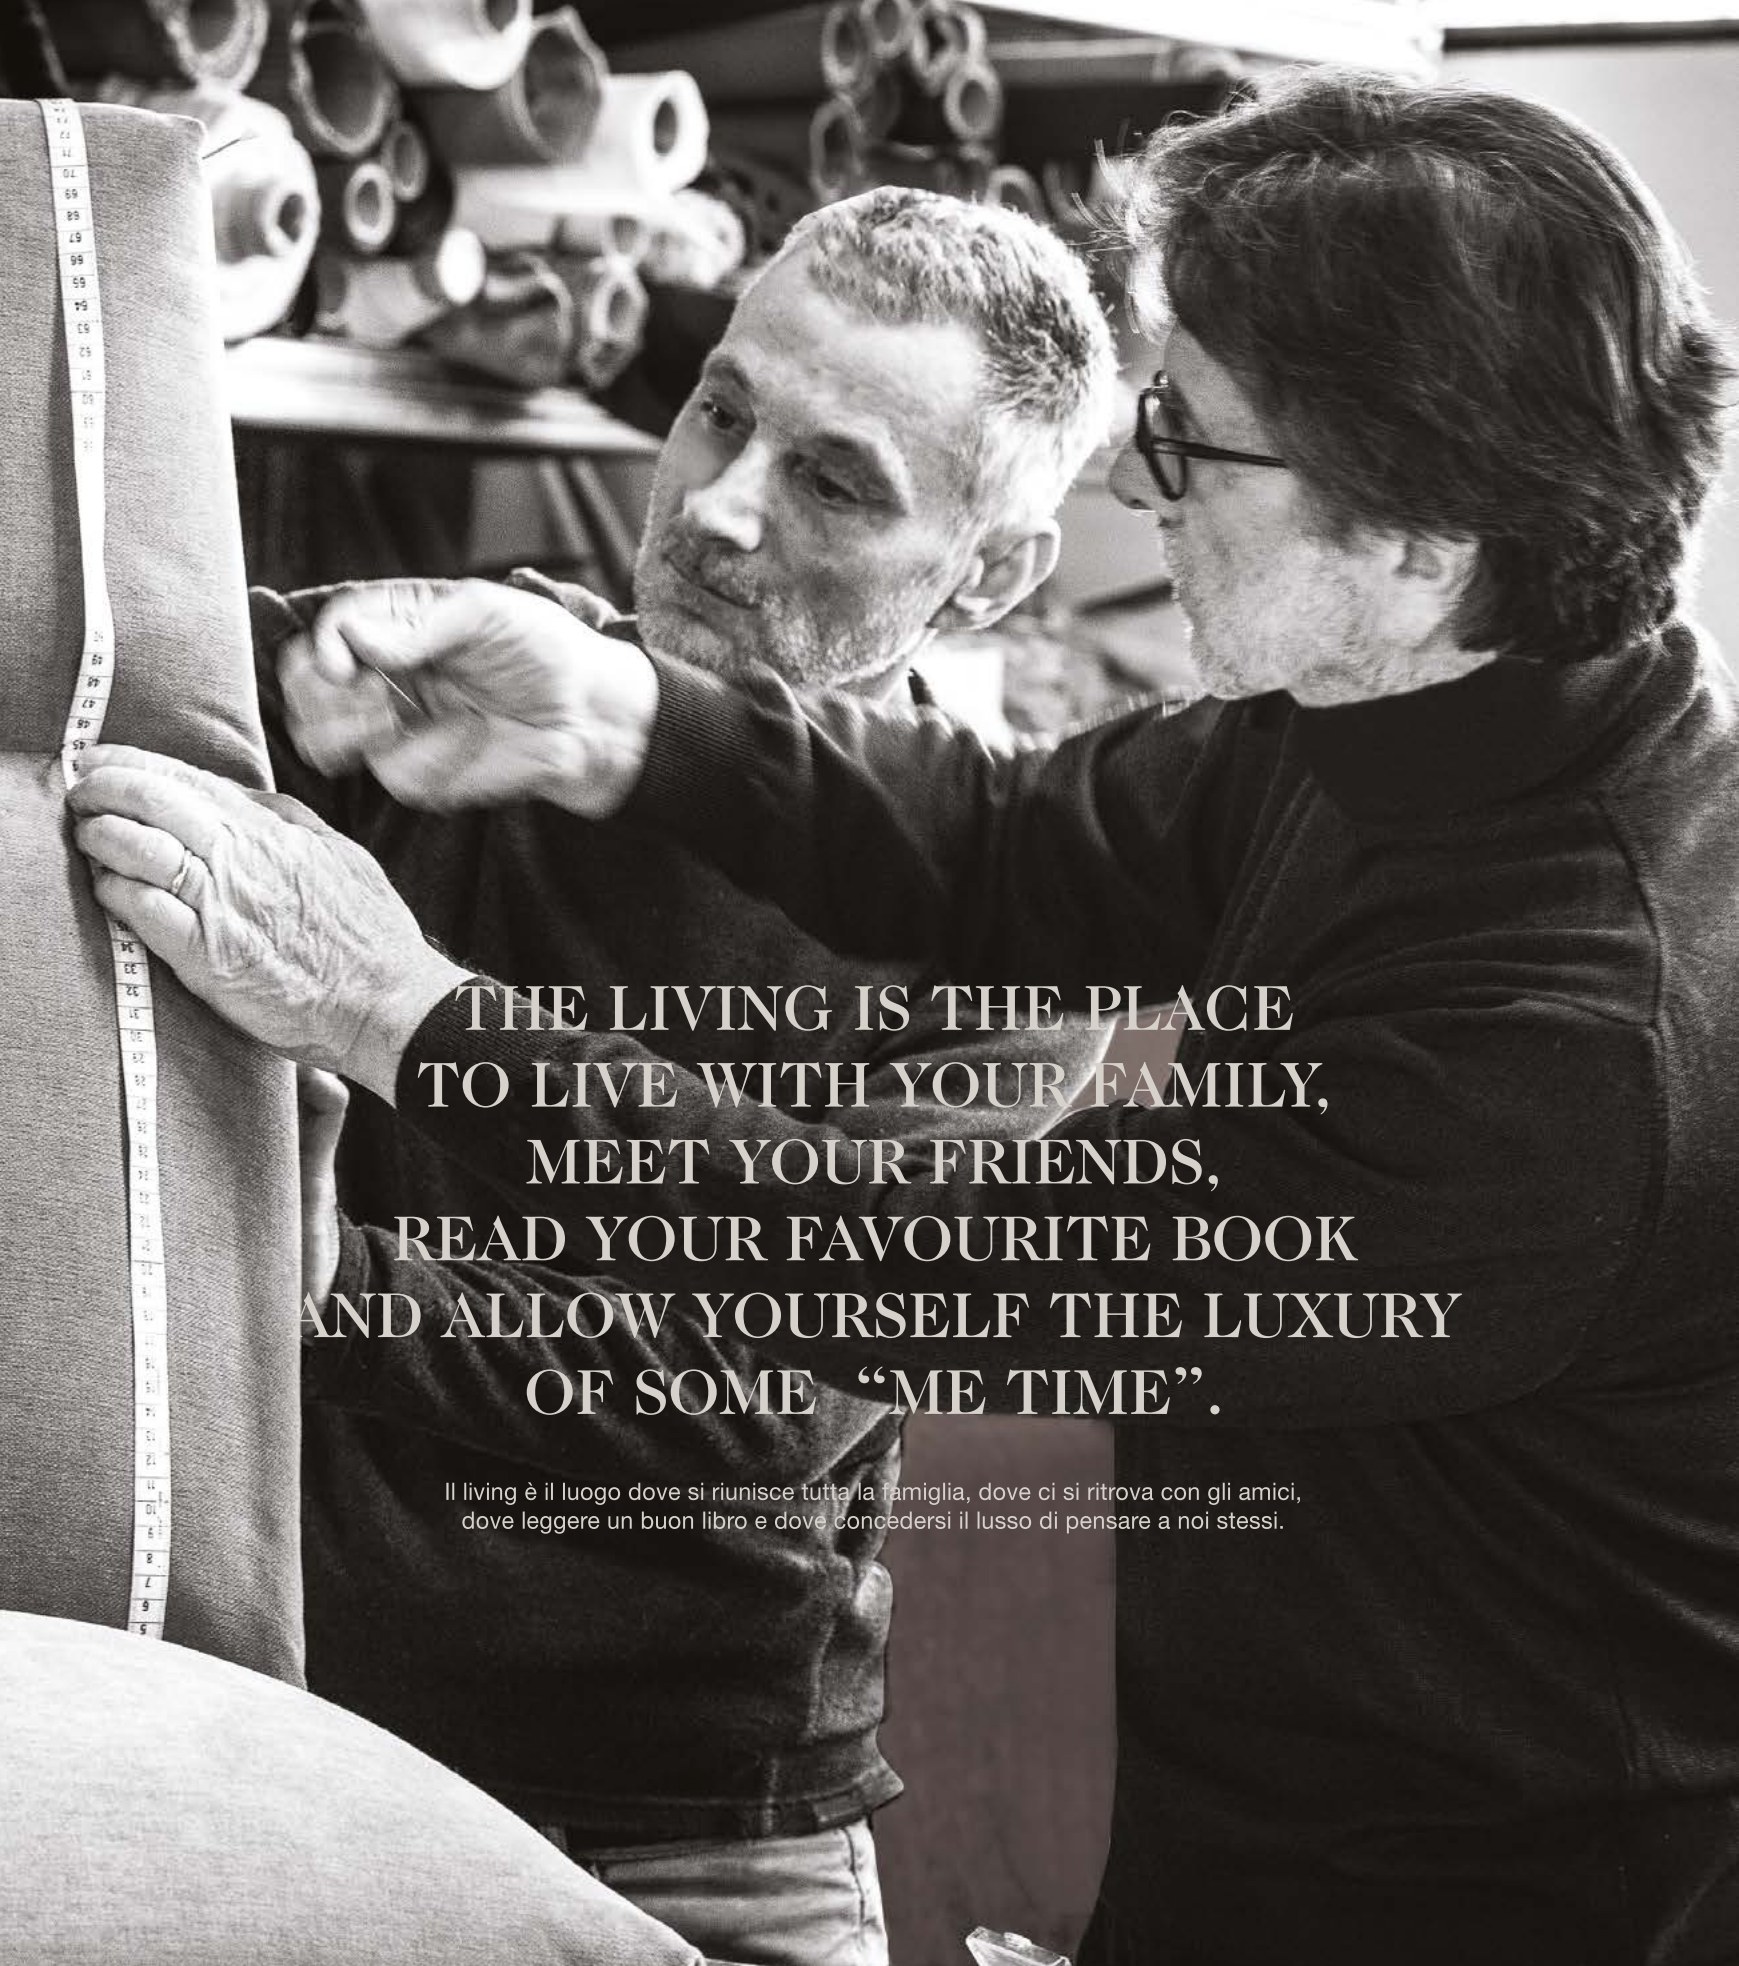

Lyndon, design CRD Verzelloni

The name is a tribute to the idleness of the famous cinematographic character Barry Lyndon, who languidly leans on the pillows of his possessions and living rooms, looks at the gardens and the pond of the estate. Generous dimensions, deep seat for a modular island full of cushions where you can rest comfortably, thanks to the possibility to freely insert elements such as chaise longue or dormeuse with both square and rounded shape. Metal feet support the structure, which can be covered with a wide range of fabrics (all completely removable).

Il nome è un tributo al protagonista del celebre film Barry Lyndon, che languidamente appoggiato sui cuscini dei suoi confortevoli divani guarda i giardini e il laghetto della tenuta. Dimensioni generose e seduta profonda per un'isola componibile ricca di cuscini su cui riposare comodamente, grazie alla possibilità di inserire liberamente elementi quali chaise longue o dormeuse sia con forma squadrata che tondeggiante. Piedi in metallo brunito valorizzano il sistema componibile, che può essere rivestito con un'ampia gamma di tessuti (tutti completamente sfoderabili).
